

# C1Ix – Indoor post insulator with capacitive coupling for air insulated switchgears

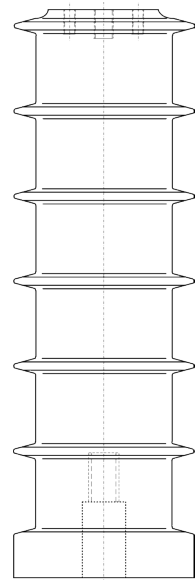

for Wega x.2 C, Wega 3 and interface cable

C1I1-12

C1I2-24

C1I3-36

| Technical data     | C1I1-12     | C1I2-24     | C1I3-36     |
|--------------------|-------------|-------------|-------------|
| Rated voltage [kV] | 12          | 24          | 36          |
| C1 value [pF]      | 8.5         | 6.0         | 4.2–4.6     |
| Øa [mm]            | 52          | 58          | 58          |
| ØD [mm]            | 75          | 85          | 95          |
| H [mm]             | 130         | 210         | 300         |
| s [mm]             | 20          | 40          | 40          |
| t [mm]             | 46          | 66          | 66          |
| Order no.          | 48-0101-002 | 48-0101-003 | 48-0101-004 |
